Macros 3

UCH Wiki Syntax

Macros

Macro	Description
~~CLEARFIX~~	Clear the float
~~PAGEBREAK~~	Add a page break
~~NOTOC~~	If this macro is found on the page, no table of contents will be created
~~NOCACHE~~	Wiki caches all output by default. Sometimes this might not be wanted (eg. when the <php> syntax above is used), adding this macro will force Wiki to rerender a page on every call
